3. Messages from Zlatko/Accommodation Office

Access keys – many changed due to lost keys, key price discussed to raise people’s awareness of the responsibility

Zero Smoking from now on! – still a problem with cigarette butts

New Year’s eve – elevators was a mess

Approved the purchase of the kitchen supplies, around end of February

Solution regarding other garbage, “garbage car” open 2 hours only, will handle other trash that otherwise cannot be thrown out near the building.

Saturday open from 10-12 only not any other day or time

Proposal for garbage system

Garbage Shute only for the kitchen garbage in bags

Moving out inspection days the garbage is full with non-kitchen garbage, this can result in an increased rent if it gets too bad.

Security service change, less Zlatko more University Security Services

General order on the floors: all corridors need to be cleaned, from now on if stuff needs to be removed, it will involve both Zlatko and the floor representative.

Bicycles: ground floor mainly for the campus bikes and for handicapped inventory

Bicycle Raid on 1st of march, you need to mark your bicycle with your room number, it will be removed after that date.

Don't park everywhere, think about where you park your bicycle

Kitchen towels only for kitchen use not anything else

4. Noise Complaints

Exam period: a lot of noise complaints

Some reoccurring incidents

Level of mutual respect

5. Emergency services access

Better emergency protocol is being utilised going forward

6. Other events and feedback

- a. Campus Bazar, supported by the council
- b. Coffee with Richard

7. Any other Business.

Parking lot: cars driving into stuff on the parking lot, because they can't see where to drive properly.

Freezers still work in progress

Door Lock batteries will be changed two times a year by Zlatko.
